

66. BLACK CANDLESTICK, 2020

Onka Allmayer-Beck

Using a slab building technique, each piece is handmade, with white burning clay before being hand glazed and twice fired for 24 hours.

This collection is custom made for SEEDS Gallery in 2020, instead of having names, these ceramics are numbered by the order they are made.

Hand-glazed clay

ø 27 × H 27 cm
