

## MASS SIDE TABLE, 2016

### Odd Matter

A series of rocklike textured shelves, tables and lights with a cork terrazzo finish. Handmade with a unique technique developed by Odd Matter Studio that explores the use of cork as an aggregate material and high quality hard plaster as a binder. Combining the soft and light nature of cork with rigidity and strength of gypsum.

Cork granules and alpha crystalline  
gypsum

Ø 60 × H 45 cm

Each one of a kind  
Bespoke sizes and colour combinations  
upon request

£ 2 850.00 excl. VAT
