

PHEBE, 2019
WHITE CUBES

The Phebe marble bowl plays on ideas of minimalism, purity, and modernity, challenging the eclectic border between Functional Art and sculptural long-lasting design. Ideal for kitchen, living room, or bathroom spaces, this piece combines apparent simplicity with rigorous geometry.

It is handcrafted in pure Athenian white Volakas marble in a small village in the north of Greece (Drama) famous for its marble quarries and pays homage to ancient Greek civilization, especially to the Acropolis and Parthenon.
