

MINIFUNDIUM VASE (SMALL), 2019**Attua Aparicio**

The Minifundium Vases are a further collection made by Attua Aparicio during her residency in Jingdezhen, China. This series of thrown porcelain vessels is covered in a mesmerising melange of glazes, bringing together traditional and standard glazes with Attua's experimental new and unique borosilicate glass glaze.

Hand-thrown porcelain, glaze and waste borosilicate glass
